**HIRING - RECRUITMENT - TRY & HIRE - OUTSOURCING**

## Flexibility is our core business - what's Yours?

We are the right choice when you need labour.  
That's what we do!

Most companies experience peaks and lows in their manpower need. If your company suddenly gets a special order, which requires more hands, then MEGA FLEX can be your solution. We step in with short notice, and provide the workers you need.

You can hire on contract, hourly basis, or joined offer - a wide choice to support your needs. You can adjust, increase or reduce your workforce according to the situation. Your company becomes more flexible without being bound to fixed costs such as salaries or expensive equipment.

Let MEGA FLEX cut the top off your workload. Then you do not need to hire or fire all the time.

No matter if, the matter concerns the need for skilled workforce, searching for a single specific candidate, project coordination or the need for a specific number of workers or whole departments - we are prepared to suit your needs. Use us on an hourly basis, unit prices or fixed prices.

## HIRING - RECRUITMENT - TRY & HIRE

### Our primary business are:

- Construction and Landscaping
- Welding
- Industrial services
- Administration
- Warehousing
- Electric installation
- Production
- Oversight
- Logistics

You can hire workforce or ask us to recruit workers for your company or you can do it like Try & Hire.

## OUTSOURCING - with or without management

Outsourcing of parts or whole departments can be the perfect solution for Your Company. Do you need management as well? Should we manage the production and the quality control? It is up to you and Your Company!

*MEGA FLEX offers professional and committed staff for a wide range of tasks*

## YOUR GUARANTEE

We are members of the Danish Industrial Association (Dansk Industri) and the Danish Construction Association (Dansk Byggeri). That ensures for our employees, employers and customers, that all laws, rules and union based principles are over held. We have a 24/7 hotline. If you are not satisfied with our workers within the first 3 days, you do not pay; just allow us to provide you with a replacement.

We apply the ISO 9001 standard.  
That obliges us to deliver high quality.
